## Craftbeer <sup>0,33l</sup>

### Big Wave <sup>ag,aw</sup>

5,50 €

KONABRE WING CO. (HAWAII) / GOLDEN ALE, ALCOHOL: 4,4%

The drinkable draft beer from Hawaii comes relatively classic with a subtle flavor. A subtle malty sweetness in a slim body.

---

### Torpedo Extra IPA <sup>ag,aw</sup>

6,30 €

SIERRA NE VADA (USA) / INDIA PALE ALE , ALCOHOL: 7,2%

The typical representative of craft beer from the USA impresses with its crisp bitterness as well as through the grassy-flowery but also herbal-resinous aromas created by the hops caused. Packed in a heavy, slightly caramel-malty body sweetish-tart finish.

---

### Bourbon Barrel Scotch Ale <sup>ag,aw</sup>

6,00 €

INNIS & GUNN (SCHOTTLAND) / SCOTCH ALE , ALCOHOL: 6,6%

This Scottish beer speciality offers the counterpart to barrique wine through a Maturation in former bourbon whiskey barrels for several weeks. Through this refinement In addition to the bourbon top note, vanilla and slightly banana notes are also achieved Oak wood in the beer.

---

### Craftbeer aus der Pfalz <sup>ag,9</sup>

5,50 €

BRAUART / CASCADIAN DARK ALE , 6,5 % ALCOHOL, BITTERNIS CA 50 IBU

The dark beer usually plays a rather subordinate role in the case of dark beers, Cascadian Dark Ale has the best of both worlds, it is a very complex beer with dominant but pleasant bitterness and fruitiness. The malt profile of a stout and the Hops of an IPA melt on the palate into a unique pleasure.

---

### Craftbeer aus der Pfalz <sup>ag,3,5</sup>

5,00 €

BRAUART / SIX GUN PALE ALE, 6,5 % ALCOHOL, BITTERNIS CA 50 IBU

The fruit sour beer from the Scottish craft beer brewery is far from typical "Beer taste". A tangy, refreshing but still gentle acidity accompanies notes of Lime, grapefruit and biscuit and provides that certain something.
